SECTION 6—FEDERALLY ELIGIBLE INDIVIDUAL INFORMATION

Under the Health Insurance Portability and Accountability Act of 1996 (HIPAA), guaranteed availability of individual coverage means that if you are HIPAA eligible, you cannot be denied the right to buy individual coverage. In addition, a preexisting condition exclusion cannot be applied to your coverage.

You are HIPAA eligible, also called an "eligible individual," if ALL of the following are true at the time you apply for individual coverage in Idaho.

- You have at least 12 months of continuous creditable coverage without any break in coverage greater than 63 days
- Your most recent coverage was under a group health plan, a governmental plan or a church plan (or health insurance offered in connection with such a plan)
- You are not covered under another group health plan
- Your most recent coverage was not cancelled because you did not pay your premiums or because you committed fraud
- You are not currently eligible for Medicare or Medicaid

If you are HIPAA eligible, you will lose your right to get individual coverage without an exclusion unless you submit an application for individual coverage within 63 days after the day your group coverage or continuation coverage ends. Act promptly to protect your rights.

SECTION 7—AFFIRMATION

I affirm the answers given in this "Idaho Individual Application" are complete and correct. I am providing these answers as part of the application procedure required by this insurance carrier to enroll in its insurance coverage. I understand that the insurance carrier will rely on each answer in making its determination to extend coverage and to determine the type of coverage offered. I understand if this application contains any material misstatements or omissions, the insurance carrier may, within the first 24 months of coverage, deny coverage retroactively and/or take any other legal action available by law. I will promptly inform the insurance carrier in writing if anything happens before my coverage takes effect that makes any answer in this application incomplete or incorrect. I understand that a twelve month waiting period for coverage of preexisting conditions may apply. I understand and agree no coverage shall be in force until approved by the insurance carrier. If approved, coverage will be in force as of the effective date determined by the insurance carrier.

SECTION 8—STATEMENT OF UNDERSTANDING

By signing this application, I represent that all my answers are complete and accurate to the best of my knowledge and belief and that I understand and agree to the following conditions:

- a. No independent producer, agent or employee of the insurance carrier can change any part of this application or waive the requirement that I answer all questions completely and accurately.
- b. The insurance carrier may terminate or rescind an insured's coverage for any misrepresentation, omission of fact by, concerning, or on behalf of any insured that was or would have been material to the insurance carrier's acceptance of a risk, extension of coverage, provision of benefits or payment of any claim.
- c. If this application is approved, coverage for me and any eligible persons named on this application will begin on the effective date assigned by the insurance carrier.
- d. I understand that this application will become part of the contract between the insurance carrier and me.
- e. I affirm that I have reviewed all answers given on this application and, regardless of whether an independent producer or other person has filled out the answers for me, I verify that the answers are true and complete.
- f. The following preexisting condition exclusion applies to NON-HIGH RISK POOL (HRP) PLANS:
For individuals enrolled in a grandfathered policy effective prior to January 1, 2014, the following preexisting condition exclusion will be applied:

"A preexisting condition is (i) a condition that would have caused an ordinarily prudent person to seek medical advice, diagnosis, care or treatment during the six (6) months immediately preceding the effective date of coverage; (ii) a condition for which medical advice, diagnosis, care or treatment was recommended or received during the six (6) months immediately preceding the effective date of coverage; or (iii) a pregnancy existing on the effective date of coverage."

This exclusion may last up to 12 months from your first day of coverage; however, the exclusion period will be reduced by the number of days of your prior "creditable coverage." Most prior health coverage is considered creditable coverage and can be used to reduce the preexisting condition exclusion period if you have not experienced a break in coverage of 63 days or more.

This preexisting condition exclusion **does not** apply to a child who is enrolled in the plan within 60 days after birth, adoption or placement for adoption.

The preexisting condition exclusion defined above **will not** be applied to individuals under the age of 19 years who are enrolled in a non-grandfathered plan, beginning with renewals on or after September 23, 2010, as provided in the federal Patient Protection and Affordable Care Act (PPACA).

- g. The following preexisting condition exclusion applies to HIGH RISK POOL (HRP) PLANS:
A preexisting condition is a condition that would have caused an ordinarily prudent person to seek medical advice, diagnosis, care or treatment during the six (6) months immediately preceding the effective date of coverage; a condition for which medical advice, diagnosis, care or treatment was recommended or received during the six (6) months immediately preceding the effective date of coverage; or a pregnancy existing on the effective date of coverage.

This exclusion may last up to 12 months from your first day of coverage or, if you were in a waiting period, from the first day of your waiting period. However, you can reduce the length of this exclusion period by the number of days of your prior "creditable coverage." Most prior health coverage is considered creditable coverage and can be used to reduce the preexisting condition exclusion if you have not experienced a break in coverage of at least 63 days.

- h. If enrolling in a High Risk Pool plan, eligible dependents include any unmarried child who is under the age of 25 and more than 1/2 financially dependent on parent for support; or who is medically certified as disabled and dependent on parent for support (copy of certification required).

I understand that if I am declined coverage under the plan I am applying for, that I may be eligible for my choice of the state of Idaho individual High Risk Pool mandated plans. I also understand that I may be eligible for one of the state of Idaho individual High Risk Pool mandated plans, if my insurance carrier refuses to issue a health benefit plan providing coverage substantially similar to coverage offered under an equivalent High Risk Pool plan except at a rate exceeding the rate of the High Risk Pool plan.

SECTION 9—ACKNOWLEDGEMENT
